

# IRRIGATION METER

In order to get your irrigation meter, you will need to come to Spring Hill City Hall and get a permit for a backflow device, and pay the fee of **\$730.00** (***\$400.00 tap fee + \$140.00 reserve fee + \$165.00 meter fee + \$25.00*** fee for the backflow device permit.) The company that you hire to install your irrigation system should also install the backflow device.

## The City of Spring Hill Furnishes

Water Tap  
Meter Setter  
Meter  
Meter Box  
Inspection of Backflow Device  
(when connected & operative)

## Homeowner Furnishes

Irrigation System  
Installation of Backflow Device  
Hook Up to the Meter  
Line From Meter to System

**For inspection, please call Public Works at 931.486.1265**  
*(This process could take up to (4) work days.)*

*You will be charged a minimum of \$10.71 during the months that your sprinkler system is not being used.*

*Please note that the City of Spring Hill does NOT install sprinkler systems or backflow devices. This is the responsibility of the homeowner.*
