**BACKGROUND:** The Police Department presently uses Watch Guard camera system, for patrol operations, which offers a hardware warranty and evidence library that allows for updates/upgrades, service and repairs to the system.

The warranty is paid annually based on the number of camera systems the department has in operation. Therefore, as we add camera systems in the future, the cost will increase about \$450 dollars per camera system.

This year's costs, which is budgeted in the current FY 2022-23 budget, is \$35,208.00. Per BOMA approval of this resolution, the police department is authorized to pay the renewal invoice this year and for an additional two years, as long as the cost increase does not exceed \$10,000.00 to include additional camera system.
