

## RESOLUTION 23-158

### A RESOLUTION OF THE CITY OF SPRING HILL, TENNESSEE TO APPROVE THE PURCHASE AN E-ONE 100FT LADDER TRUCK

**WHEREAS**, the City of Spring Hill operates a career fire department that responds to all hazards within the City; and

**WHEREAS**, the Fire Department is required by both ISO and the National Fire Protection Association (NFPA) 1911 to inspect, maintain, test, retire and/or dispose of fire apparatus using a prescribed schedule, and

**WHEREAS**, the current Ladder 69, is a 2006 E-One 75ft Aerial Device, that moved to reserve status in 2020 and will remain in either a reserve or training status until 2031, and

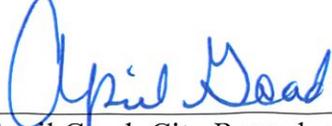

**WHEREAS**, the City of Spring Hill's skyline continues to grow and expand both laterally and vertically with bigger and taller buildings; the fire department must match this growth with apparatus that is capable of mitigating complex fires and performing elevated rescues and fire attack from taller buildings, and

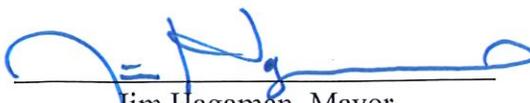

**WHEREAS**, Fire Apparatus construction timeframes, as well as price increases have created unthinkable order delays with massive unpredictable price hikes; purchasers now must place orders years in advance of delivery. An approved purchase order will secure a guaranteed maximum price and a position in the production line for an August 2026 delivery allowing for apparatus depreciation over the next several budget cycles to fund the purchase.

**NOW, THEREFORE BE IT RESOLVED**, by the Board of Mayor and Aldermen of the City of Spring Hill, Tennessee to authorize the purchase of a 2026 E-One - HR100 (100ft Straight Ladder), including all tools, equipment and mounting from SAFE Industries using Quotes 125384 and 20687 through the Houston-Galveston Area Council (HGAC) Group Purchasing Program for a total purchase price \$1,881,733.00.

**Passed and adopted by the Board of Mayor and Aldermen of the City of Spring Hill, Tennessee, this 7th Day of August 2023.**

ATTEST:

  
\_\_\_\_\_  
April Goad, City Recorder

  
\_\_\_\_\_  
Jim Hagaman, Mayor

LEGAL FORM APPROVED:

  
\_\_\_\_\_  
Patrick Carter, City Attorney

**REQUEST:**            *Approval of Resolution 23-158*  
**SUBMITTED BY:**    **Graig Temple, Fire Chief**  
**DATE:**                **August 7, 2023**  
**RE:**                    **Purchase of an E-One HR-100 Ladder Truck**

---

**PURPOSE:**

To secure a guaranteed price and a position on the production line for a new 100ft Straight Ladder Aerial Device that would be constructed in 2026.

**BACKGROUND:**

Ladder 69 is a 2006 E-One 75ft straight ladder aerial device. The apparatus was moved into reserve in 2020. Ladder 69 will maintain in reserve status until 2031 at which time it would be removed from reserve status and disposed of or used for other purposes.

With fire apparatus industry construction delays of 24-36 months for delivery of an order, as well as annual price increases of at a minimum 6%, fire departments must proactively secure pricing and a place in the production line if they wish to remain current with NFPA 1911 and ISO requirements.

The issuance of a purchase order will protect the city with a guaranteed maximum price and a construction timeframe that is acceptable and allows the City four budget years of depreciation funding to fund the purchase of the apparatus.

**FINANCIAL IMPACT:**

The Group Purchasing contract for this HR-100, 100ft Ladder Truck, fully equipped with tool mounting is \$1,881,733.00. (\$1,649,800.00 apparatus - \$231,933.00 tools/equipment/mounting).

**STAFF RECOMMENDATION:**

Staff recommends approval of Resolution 23-158 to issue a purchase order and authorize the signing of a purchase contract for an HR100 E-One 100ft Straight Ladder Aerial Device from SAFE Industries, using HGAC Group Purchasing Program FS19JA06 and Quote #125384 and #20687.

## Official Proposal for Spring Hill Fire Department

All Source Enterprises LLC. DBA Safe Industries herewith submits a specification of an E-ONE Apparatus on August 1, 2023 in response to the specification request and in compliance with the description and specifications outlined in the meetings held with Spring Hill Fire Department for:

**Package:** One (1) E-ONE HR100 Single Axle Aerial, Four (4) Person Cab, with a Cummins X12 500HP Engine, Left Rear Staircase with Pocket Style Drop Down Step, Center Mounted Ladder Storage Tunnel, a Waterous S100 1750 GPM Pump, a 400 Gallon Water Tank, an Akron StreamMaster Aerial Tip Monitor and Advanced Aerial Control System

- Prior to Delivery of the Apparatus, Safe Industries Will Perform a Bumper to Bumper Inspection and Pump Test at No Cost to the Customer. Included
- During the First Year of the Truck's Warranty Period, Safe Industries Will Provide Warranty Inspections at 120 and 330 Days After Delivery at No Charge to the Customer. Included
- Preconstruction Conference at the Fire Department's Headquarters, Midpoint and Final Inspection Ground Travel, Meals and Expenses for Four (4) Department Personnel at the Manufacturing Facility Included
- HGAC Cooperative Purchasing Fee Included

**Total of Package:** **\$1,649,800.00**

*Final Pricing Shall be Subject to Surcharges Incurred on the Materials and Products Required to Build and Provide your Products. Final Invoices will Include a Line Item Labeled "Surcharge" Along with the Applicable Surcharge Amount. This is not a Negotiable Discussion with Safe Industries as we are Passing Through Costs Required to Build and Provide your Products.*

Bidding Organization Name: All Source Enterprises LLC. DBA Safe Industries  
Bidding Organization Address: 5031 Hwy 153  
Easley, SC 29642

Signature of Bidder's Representative:

Name: Lee Beckman  
Title: Apparatus Sales Representative  
Phone: (931) 242-1604  
Email: LBeckman@safeindustries.com

Delivery is to be made to the Customer subject to all clauses of the attached contract, within approximately 1020 days from receipt of the signed and accepted sales order by the Manufacturer, E-ONE. Safe Industries (the Company) shall not be held liable for any delay, failure to make delivery due to, war, fire, labor disputes, acts of God, governmental regulations, supplier issues beyond E-ONE's reasonable control, breakdown of machinery, or any other causes or circumstances beyond the reasonable control of the Company which prevent or hinder the Company's manufacture and/or delivery of the Apparatus. Any changes after order submittal, including those made during a pre-construction conference, may void any penalty clauses or require that delivery and penalty be re-negotiated in good faith by both parties. The Bidder's right to withdraw this proposal, if not accepted within thirty (30) days from the above date is hereby acknowledged. The above price is good for 30 days.
