GRANT OF FRANCHISE:

(A) There is hereby created and granted unto Grantee a non-exclusive franchise to enter upon, acquire, construct, operate, maintain and repair in the Public Right-of-Way the System, subject to the provisions of this Agreement. The franchise granted hereunder shall be extended to territories that are annexed by Grantor upon the same terms and conditions herein, subject to the approval of the Commission, if any such approval is required.

(B) The franchise granted to Grantee by the Grantor shall not be exclusive and the Grantor reserves the right to grant a similar franchise to any other person or entity at any time. In the event the Grantor shall grant to another person or entity during the term hereof a franchise for a gas distribution system within the geographical boundaries or limits of Grantor similar to the one herein granted to Grantee, it is agreed that the terms of any such franchise agreement shall be no more favorable to such new additional grantee than those terms contained herein. Additionally, it is agreed that any such new/additional grantee shall have no right to use any portion of the System without Grantee’s written consent.

Article III

TERM, EFFECTIVE DATE, AND ACCEPTANCE OF FRANCHISE:

(A) The term of this franchise shall be for an initial term of ten (10) years from and after its passage and approval; provided, this franchise and all rights and privileges herein provided shall be extended for two (2) successive periods of five (5) years each unless the notice of intent to renegotiate is given in

writing by either party at least six (6) months before the end of such initial term, or before the end of the first extended term, as the case may be.

(B) The franchise created hereby shall become effective upon its final passage and approval by the Town, in accordance with applicable laws and regulations, and upon acceptance by the Grantee by written instrument within sixty (60) days of passage by the governing body, and filed with the Clerk of the Grantor. If the Grantee does not, within sixty (60) days following passage of this Ordinance, express in writing its objections to any terms or provisions contained therein, or reject this Ordinance in its entirety, the Grantee shall be deemed to have accepted this Ordinance and all of its terms and conditions.

(C) The terms and conditions of Ordinance 85-20 are superseded by the terms and conditions hereof.

Article IV

GRANTEE'S RIGHTS IN AND TO PUBLIC RIGHT-OF-WAY:

The Grantee shall have the right and privilege of constructing, erecting, laying, operating, maintaining, replacing, removing and/or repairing a gas distribution system through, along, across and under the public right-of-way within the geographical boundaries or limits of the Grantor as it now exists or may hereafter be constructed or extended, subject to the inherent police powers conferred upon or reserved unto the Grantor and the provisions of this Agreement.

Article V

OPERATION OF SYSTEM; EXCAVATION OF PUBLIC RIGHT-OF-WAY:

(A) The System shall at all times be installed, operated and maintained in good working condition as will enable the Grantee to furnish adequate and continuous service to all of its residential, commercial and industrial customers. The System shall be designed, installed, constructed and replaced in locations and at depths which comply with all applicable federal and state laws and regulations regarding minimum safety standards for design, construction, maintenance and operation of gas distribution systems.

(B) Grantee shall have the right to disturb, break, and excavate in the Public Right-of-Way as may be reasonable and necessary to provide the service authorized hereby.

(C) Grantee will repair any damage caused solely by Grantee to any part of the Public Right-of-Way and will restore, as nearly as practicable, such property to substantially its condition immediately prior to such damage.

(D) Grantee shall use reasonable care in conducting its work and activities in order to prevent

injury to any person and unnecessary damage to any real or personal property.

(E) Franchisee shall, when reasonably practicable, install all pipelines underground at such depth and in such manner so as not to interfere with the existing pavement, curbs, gutters, underground wires or cables or water or sewer pipes owned or controlled by the Grantor.

Article VI

DEGRADATION/RESTORATION OF PUBLIC RIGHT-OF-WAY:

(A) Grantee shall, upon request by the Grantor, remove, move, modify, relocate, reconstruct or adjust any part of the System located within Public Right-of-Way, at its own expense, if the Grantor, in its sole discretion, constructs, reconstructs, widens, alters, excavates, repairs, changes or improves any public right-of-way as part of any public improvement project.

(B) If the Grantor requires the Grantee to adapt or conform the System or to in any way construct, reconstruct, remove, alter, relocate, adjust or change its System to enable any other person, firm, corporation or entity, whether public or private, other than the Grantor, to utilize Public Right-of-Way, Grantee shall be reimbursed for all costs reasonably incurred by Grantee from the person, firm, Franchisee, corporation or entity requesting or required by the Grantor to perform such change, construction, removal, repair, maintenance, alteration or relocation.

Article VII

**COMPENSATION FOR USE OF PUBLIC RIGHT-OF-WAY AND
CONSIDERATION FOR FRANCHISE:**

(A) In consideration for the granting and exercise of the rights and privileges created hereunder, and in further consideration of the grant to the Franchisee of the right to make use of Public Right-of-Way, Grantee shall pay to the Grantor, during the entire life of the franchise, a sum equal to \$.0375 (3.75 cents) per CCF of Sales Volumes and \$0.005 (one half cent) per CCF of Transportation Volumes. The fee prescribed herein shall be paid to the Grantor quarterly on or before the 30th day after the end of each calendar quarter after the effective date hereof, the first payment due hereunder being on or before April 30, 2011 for the quarterly period January 1 through March 31, 2011.

(B) Grantee may add a line-item surcharge to the monthly bills of each of its customers located within the geographical boundaries or limits of Grantor, which surcharge may be designated as a franchise fee, in an amount that is sufficient to recover the portion of the franchise fee paid by the Grantee to the Grantor that is attributable to the Revenue derived by Grantee from such customer.

(C) The franchise fee provided herein, together with any charges of the Grantor for water, sewage and garbage services provided by the Grantor to Grantee, and any applicable occupational license fees or sales, ad valorem or other taxes payable to the Grantor by the Grantee under applicable law, shall constitute the only amounts for which Grantee shall be obligated to pay to the Grantor and shall be in lieu of any and all other costs, levies, assessments, fees or other amounts, of any kind whatsoever, that the Grantor, currently or in the future, may charge Grantee or assess against Grantee's property. The franchise fee herein contemplated shall be uniformly and equally applied to all natural gas utilities, of like services or any other natural gas service that compete with the Grantee, such that Grantee will be excused from collecting and paying franchise fees and/or taxes if Grantee's competitors are not also required to do so.

(D) The Grantor, through its duly authorized representative and at all times reasonable, shall have access to, and the right to inspect Grantee's books and records that are necessary to confirm the accuracy of the amount of franchise fee being paid to the Town.

Article VIII

SERVICE TO NEW AREAS.

If during the term of this franchise the boundaries of the Grantor are expanded, the Grantor will promptly notify Grantee in writing of any geographic areas annexed by the Grantor during the term hereof ("Annexation Notice"). Any such Annexation Notice shall be sent to Grantee by certified mail, return receipt requested, and shall contain the effective date of the annexation, maps showing the annexed area and such other information as Grantee may reasonably require in ascertaining whether there exist any customers of Grantee receiving natural gas service in said annexed area. To the extent there are such customers therein, then the revenue of Grantee derived from the retail sale of natural gas to such customers shall become subject to the franchise fee provisions hereof effective on the first day of Grantee's billing cycle immediately following Franchisee's receipt of the Annexation Notice. The failure by the Grantor to advise Grantee in writing through proper Annexation Notice of any geographic areas which are annexed by the Grantor shall relieve Grantee from any obligation to remit any franchise fees to Grantor based upon revenues derived by Grantee from the retail sale of natural gas to customers within the annexed area until Grantor delivers an Annexation Notice to Grantee in accordance with the terms hereof.

Article IX

VOLUNTARY SALE AND RIGHT OF FIRST REFUSAL

If at any time during the term of this Agreement, the Grantee shall receive a bona fide offer to purchase the system or any portion thereof it shall grant to the Grantor the right of first refusal to purchase the system on the same terms, which right must be exercised within ten (10) days of written notice to the Grantor.

Article X

BREACH OF FRANCHISE; REMEDIES:

In the event of a substantial breach by Grantee of any material provision hereof, the Grantor may terminate the franchise and rights granted to Grantee hereunder, provided, however, that such termination shall not be effective unless and until the procedures described below have been followed:

(A) Grantor must deliver to Grantee, by certified or registered mail, a written notice signed by the mayor or other duly authorized member of Grantor's governing body, attested by the Grantor's secretary, and sealed with the official seal of the Grantor. Such notice must (i) fairly and fully set forth in detail each of the alleged acts or omissions of Grantee that the Grantor contends constitutes a substantial breach of any material provision hereof, (ii) designate which of the terms and conditions hereof the Grantor contends Grantee breached, and (iii) specify the date, time, and place at which a public hearing will be held by the governing body of the Grantor for the purpose of determining whether the allegations contained in the notice did in fact occur, provided, however, that the date of such hearing may not be less than thirty (30) days after the date of such notice.

(B) Within ten (10) days following the adjournment of the public hearing described in Subsection (A) above, the Grantor must deliver to Grantee, by certified or registered mail, a written notice signed by the mayor or other duly authorized member of Grantor's governing body, attested by the Grantor's secretary, and sealed with the official seal of the Grantor, setting forth (i) the acts and omissions of Grantee described in the first notice that the governing body of the Grantor determines to have in fact occurred and (ii) the specific terms and conditions hereof listed in the first notice that the governing body of the Grantor determines to have in fact been breached by such acts or omissions of Grantee.

(C) The Grantor must permit Grantee the opportunity to substantially correct all of the breaches hereof set forth in the written notice described in Subsection (B) above within sixty (60) days after Grantee's receipt of such notice.

Article XI

FORCE MAJEURE

Notwithstanding anything expressly or impliedly to the contrary contained herein, in the event Franchisee is prevented, wholly or partially, from complying with any obligation or undertaking contained herein by reason of any event of force majeure, then, while so prevented, compliance with such obligations or undertakings shall be suspended, and the time during which Franchisee is so prevented shall not be counted against it for any reason. The term "force majeure", as used herein, shall mean any cause not reasonably within Franchisee's control and includes, but is not limited to, acts of God, strikes, lockouts, wars, terrorism, riots, orders or decrees of any lawfully constituted federal, state or local body, contagions or contaminations hazardous to human life or health, fires, storms, floods, wash-outs, explosions, breakages or accidents to machinery or lines of pipe, inability to obtain or the delay in obtaining rights-of-way, materials, supplies, or labor permits, temporary failures of gas supply, or necessary repair, maintenance, or replacement of facilities used in the performance of the obligations contained in this Agreement.

Article XII

ADDITIONAL REQUIREMENTS; MISCELLANEOUS PROVISIONS

(A) Grantee shall at all times indemnify and hold harmless the Grantor from and against any and all lawful claims for injury to any person or property by reason of Grantee's or its employees' failure to exercise reasonable care in installing, maintaining and operating the System. Provided, however, that none of the provisions of this paragraph shall be applicable to the extent the Grantor, its officials, officers, employees, contractors, or agents, were negligent and such negligence was the sole or contributing factor in bringing about injury to any person or property. In such event, any liability shall be apportioned between the Grantor and the Grantee based upon the percentage of fault assigned to each by a court of competent jurisdiction.

(B) Grantee may remove all or any part of its System upon the expiration or termination of the franchise and rights granted hereby.

(C) Grantee may transfer or assign the franchise created by this agreement to any other person, proprietorship, partnership, firm or corporation with written notification to the Grantor.

(D) If any section, subsection or provision of this ordinance or any part thereof is for any reason found or held to be in conflict with any applicable statute or rule of law, or is otherwise held to be unenforceable, the invalidity of any such section, subsection or provision shall not affect any or all other remaining sections and provisions of this ordinance, which shall remain in full force and effect.

(E) This agreement shall extend to, be binding upon, and inure to the benefit of, the parties

hereto, and their respective successors and assigns.

(F) To the extent that any other ordinances of the Grantor or portions thereof are in conflict or inconsistent with any of the terms or provisions hereof, then the terms of this Ordinance shall control.
