**NOW, THEREFORE, BE IT THEREFORE ORDAINED BY THE BOARD OF MAYOR AND ALDERMEN OF THE TOWN OF SPRING HILL, TENNESSEE, that**

Section Purpose and Findings.

(A) PURPOSE. It is the purpose of this ordinance to regulate adult entertainment establishments to promote the health, safety, morals and general welfare of the citizens of the Town of Spring Hill. The provisions of this ordinance have neither the purpose nor effect of imposing a limitation or restriction on the content of any communicative materials, including sexually oriented materials or entertainment. Similarly, it is not the intent nor effect of this ordinance to restrict or deny access by adults to sexually oriented materials protected by the First Amendment, or to deny access by the distributors and exhibitors of sexually oriented materials or entertainment to their intended market.

(B) FINDINGS. Based on evidence concerning the adverse secondary effects of adult uses on the community presented in hearings and reports made available to the Board, and on findings incorporated in the DLS d/b/a Diamonds and Lace Showbar v. The City of Chattanooga, 107 F.3d 403 (6th Cir. 1997); DLS, Inc. a/b/a of Renton v. Playtime Theaters, Inc., 475 U.S. 41(1986); Coleman A. Young v. American Mini-Theaters, Inc., 427 U.S. 50 (1976); and studies and judicial opinions concerning the adverse secondary effects of adult uses on communities such as Austin, Amarillo, and Beaumont, Texas; Phoenix and Tucson, Arizona; Minnesota (see report of the Attorney General's Working Group Northend Cinema, Inc. v. Seattle, 90 Wash.2d 706, 585 P.2d 1153 (1978); and Houston, Texas; (see SDJ, Inc. v. City of Houston, 837 F.2d 1268 (5th Cir. 1988); as well as newspaper articles (see Peep Shows Role Unregulated (Tennessean, April 8, 1991) reports from the Police Department, the Board finds:

1. Unlawful and unhealthy activities that are occurring within adult entertainment establishments are presently uncontrolled by the operators of these establishments and, there is presently no mechanism to control the unhealthy and unlawful activities that are occurring within these establishments or to make the owners and operators of these establishments responsible for the activities that occur on their premises.

2. Certain employees of adult entertainment establishments engage in a higher incidence of certain types sexually oriented criminal activity, unhealthy and illegal sexual contact, and other unlawful activities at these business than employees of other establishments.

3. Sexual acts, including homosexual and heterosexual masturbatory acts and oral and anal sex acts, are a regular occurrence at adult entertainment establishments, especially those establishments where there are private or semi-private booths or cubicles for viewing films, videos, or live sex shows.

4. Offering and providing such space, areas and rooms where such activities take place creates conditions that generate prostitution and other crimes, as well as unhealthy conditions.

5. Persons frequent certain adult theaters, adult bookstores, and adult video stores for the purpose of providing sex withing the premises of such adult theaters, adult bookstores, and adult video stores and patrons frequent certain adult theaters, adult bookstores, adult nightclubs, and adult video for purposes of procuring prostitutes.

6. At least fifty communicable diseases may be spread by activities currently occurring in adult entertainment, including, but not limited to, syphilis, gonorrhea, human immune-deficiency virus infection (HIV), genital herpes, hepatitis B, hepatitis Non A, hepatitis Non B, amebiasis, and shigella infections.

7. Since 1981 and to the present, there have been an increasing cumulative number or reported cases of acquired immune-deficiency virus (HIV) in the United States:

600 cases in 1982	8,555 in 1985	68,959 in 1994
2,200 in 1983	336,522 between 1986/1992	61,614 in 1995
4,600 in 1984	77,641 in 1993	and 36,693 cases in 1996.

And in Tennessee:

3 cases in 1982	345 in 1987	2,380 in 1992
7 in 1983	666 in 1988	1,308 in 1993

28 in 1984	1,012 in 1989	818 in 1994
70 in 1985	1,389 in 1990	1,018 in 1995
161 in 1986	1,820 in 1991	and 965 cases in 1996;

8. As of February 28, 1993, there have been 2,521 reported cases of AIDS in Tennessee with 1,502 deaths being reported. Of those 2,521 cases 2,340 were males and 181 were females.

9. The number of cases of early syphilis in the United States has risen with

33,613 cases reported in 1982	27,883 in 1986
32,698 in 1983	35,147 in 1987
28,607 in 1984	40,117 in 1988
27,131 in 1985	44,540 in 1989
	45,200 in 1990

10. The number of cases or early syphilis in Tennessee has grown with

1,150 in 1982	2,766 in 1989
1,013 in 1983	1,989 in 1990
1,014 in 1984	2,011 in 1991
1,168 in 1985	2,786 in 1992
1,160 in 1986	2,572 in 1993
1,330 in 1987	2,312 in 1994
1,910 in 1988	2,035 in 1995
	And 1,807 in 1996

11. The number of cases of gonorrhea in the United States reported annually remains at a high level, with 960,633 civilian cases reported in 1982:

900,435 in 1983	780,905 in 1987
878,556 in 1984	719,536 in 1988
911,419 in 1985	773,151 in 1989
900,868 in 1986	and 611,932 through November 1990

and in Tennessee:

32,444 in 1982	23,740 in 1987	15,197 in 1994
30,896 in 1983	19,336 in 1988	13,894 in 1995
30,749 in 1984	19,557 in 1989	11,710 in 1996
32,110 in 1985	56,762 through Dec. 1992	
26,455 in 1986	14,285 in 1993	

12. The Surgeon-General of the United States in his report of October 22, 1986 has advised the American public that AIDS and HIV infection may be transmitted through sexual contact, intravenous drug abuse, exposure to infected blood and blood components, and from an infected mother to her newborn.

13. According to the best scientific evidence, AIDS and HIV infection, as well as syphilis and gonorrhea, are principally transmitted by sexual acts.

14. According to the best scientific evidence, numerous other diseases and infestations, including chlamydia, pelvic inflammatory disease, chancroid, herpes, hepatitis B, lympho-granuloma venereum, granuloma inguinale, genital warts, trichomoniasis, scabies, pediculosis, amebiasis, giardiasis, and others are transmitted by sexual acts.

15. Conditions in some adult entertainment establishments are unsanitary and unhealthy; in part, because the activities conducted there are unhealthy, and in part, because the owners and operators of the facilities fail to regulate the unhealthy and unsanitary activities and fail to maintain the facilities in a sanitary and healthy condition.

16. The United States Center for Disease Control has issued universal precautions, including housekeeping and disinfection guidelines, for the prevention of transmission of the HIV virus and other diseases. These guidelines should be followed anytime there is the potential for exposure to blood and other body fluids.

17. Staff members of the police and health departments have observed semen, blood, fecal matter and urine within the public areas of adult entertainment establishments. These unhealthy conditions are worse in areas within adult entertainment establishments where persons view sexually oriented films, sexually oriented movies, adult videos or witness sexually oriented live entertainment.

18. Permitting entertainers to be in close contact with patrons initiates the change of money which may reasonably be expected to serve as an opportunity to solicit for and inducement to agree to unprotected and/or illegal sexual activity, including prostitution and thus poses a threat to both groups by promoting the spread of communicable diseases, and encouraging crime.

19. When the previously described activities characteristic of adult entertainment establishments are present within the Town of Spring Hill, other activities which are illegal or unhealthy may tend to accompany them, concentrate around them and be aggravated by them. Such other activities include, but are not limited to, prostitution, pandering, solicitation for prostitution, lewd and lascivious behavior, exposing minors to harmful materials and possession, distribution and transportation of obscene materials.

20. The findings noted in paragraph 1 through 19 raise substantial governmental concerns.

21. Adult entertainment establishments should be reasonably regulated in order to protect those substantial governmental concerns.

22. A reasonable license procedure is an appropriated and effective mechanism to place the burden of that reasonable regulation on the owners and operators of adult entertainment establishments. Further, such a licensing procedure will place a heretofore nonexistent incentive on the operator to see that the adult entertainment establishment is run in a manner that is consistent with the health, safety and welfare of its patrons and employees, as well as the citizens of Town of Spring Hill. It is appropriate to require reasonable assurance that the licensee is the actual operator of the adult entertainment establishments, fully in possession and control of the premises and the activities occurring therein.

23. Removal of door on booths wherein patrons view sexually oriented movies, sexually oriented films, adult videos, or sexually oriented live entertainment and requiring sufficient lighting in premises with booths advances the substantial governmental interest of curbing the illegal and unsanitary sexual activity occurring at adult entertainment establishments.

24. The prevention of sexual contact between patrons and employees at adult entertainment establishments is unrelated to the suppression of free expression, but serves to address the concerns raised in the findings contained herein.

25. Prohibiting dancers and patrons from engaging in sexual fondling and caressing in adult theaters or adult cabarets would reduce the opportunity for prostitution and thus should deter prostitution and other crimes of sexual nature.

26. The disclosure of certain information by those persons ultimately responsible for the day-to-day operation and maintenance of an adult entertainment establishment is substantially related to the significant governmental interest of preventing the spread of sexually transmitted diseases and reducing or eliminating the criminal activity associated with adult entertainment establishments.

27. It is desirable in the prevention of the spread of communicable diseases and in the investigation of criminal activity, to obtain a limited amount of information regarding certain operators and employees who either engage in the conduct which this ordinance is designed to prevent or are likely to be witnesses to such activity.

28. A substantial rational relationship between adult entertainment establishments and sexually related crimes establishes a compelling justification for barring those persons who have committed crimes from the management of such businesses.

29. The fact that an applicant for an adult use license has been convicted of a sexually-related crime leads to a rational inference that the applicant is more likely to engage in conduct in contravention of this ordinance.

30. The barring of such individuals from management of adult uses of period of years serves a deterrent to and prevents the conduct which lead to the transmission of sexually transmitted diseases and to the promotion of that criminal activity associated with adult uses.

31. The general welfare, health an safety of the citizens the Town of Spring Hill will be promoted by the enactment of this ordinance.
