

## RESOLUTION 99-2

Whereas, it is necessary for the Town to acquire an easement to install a sewer line in the Hassie Taylor property; and

Whereas, the terms and conditions for the granting of such an easement are as follows;

- 1- That all fencing and gates removed during the construction process will be returned to their original condition.
- 2- That all areas disturbed by the construction process be re-graded and seeded with new grass to prevent erosion.
- 3-(a) That an existing water well on-site be tested as to flow at the start of construction.  
(b) That the same well be re-tested as to flow at the conclusion of construction.  
(c) That if the well maintains its original flow, no further action will be taken.  
(d) That if the well does not maintain its original flow the Town will be responsible for providing either a new well or water from the Town System.

Whereas, the terms and conditions appear to be reasonable and can be achieved,

Now, Therefore, Be it Resolved by the Board of Mayor and Aldermen of the Town of Spring Hill, for and in consideration of the granting of such easement, that the terms and conditions are hereby agreed to and shall become binding upon the Town of Spring Hill, TN.
