

RESOLUTION 96-48

**A RESOLUTION TO COMMIT THE TOWN OF SPRING HILL  
TO PAY THE FUTURE EXPENSE OF RELOCATION, IF NECESSARY,  
OF THE WATER LINE PROPOSED FOR CONSTRUCTION ACROSS  
PROPERTY OWNED BY THE INDUSTRIAL DEVELOPMENT BOARD  
OF MAURY COUNTY AND LEASED TO SATURN CORPORATION, BEING  
MAURY COUNTY TAX MAP 42, PARCEL 11**

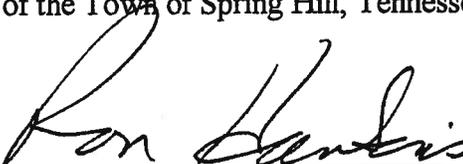

Whereas, the Town of Spring Hill desires to lay a water transmission line, by the shortest possible distance, across land owned by the Industrial Development Board of Maury County and leased to Saturn Corporation; and

Whereas, Saturn Corporation has a right to build upon this land and thus the foot print of a future building may encroach upon the planned route of the proposed Denning Road water transmission line; and

Whereas, Saturn Corporation is willing to donate an easement for the transmission line but desires to have Spring Hill commit to the relocation, as needed, of this line at no cost to Saturn Corporation.

**BE IT THEREFORE RESOLVED THAT THE BOARD OF MAYOR AND ALDERMEN OF THE TOWN OF SPRING HILL, TENNESSEE** that if after the laying of the Denning Line water transmission line across the donated easement on property owned by the Industrial Development Board of Maury County, Tennessee and leased to Saturn Corporation (Maury County Tax Map 42, Parcel 11), Saturn Corporation builds new, permanent structures on the easement, the Town of Spring Hill will relocate, at the Town's expense, that portion of the transmission line necessary to accomodate Saturn Corporation's building needs.

Passed and adopted by the Board of Mayor and Aldermen of the Town of Spring Hill, Tennessee this \_\_\_\_ day of \_\_\_\_\_, 1996.

  
\_\_\_\_\_  
RON HANKINS, MAYOR
