

**RESOLUTION NO. 97-28**

**A RESOLUTION TO AUTHORIZE HIGHERS, KOONCE AND ASSOCIATES, CONSULTING ENGINEERS, FOR THE ADDITIONAL SUM OF \$800 TO PREPARE WORKING DRAWINGS FOR A DUPLEX ROAD WATER LINE PUMP STATION BYPASS AND FOR THE CONSTRUCTION OF THE BYPASS LINE TO BE DONE BY CHANGE ORDER TO THE NORTH SIDE TANK TRANSMISSION LINE CONTRACT**

**Whereas**, the present water line grid for the Town has all new subdivisions on Duplex Road, with the exception of Ridgeport Subdivision, being served by the "high pressure" system because all others are located on the high pressure side of the Duplex Road pump station;

**Whereas**, the high static pressure in water lines in these subdivisions is causing numerous pipe failures due to excessive stress of water pressure;

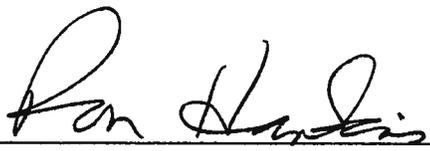

**Whereas**, it is totally unnecessary to have subdivisions on Duplex Road be served by the high pressure system with the attendant wasted energy and wear and tear on the pumps;

**Whereas**, a bypass of the pump station would reduce the pressure to acceptable levels and prepare the system to more easily accommodate a future looping of the low pressure system as it progresses down Royal Park Boulevard and up Port Royal Road; and

**Whereas**, there now exists an opportune time to add this bypass as a change order to a transmission line contract already underway to carry water from Buckner Road to the north side tank, with competitive prices having already been established by this transmission contract.

**BE IT THEREFORE RESOLVED BY THE BOARD OF MAYOR AND ALDERMEN OF THE TOWN OF SPRING HILL, TENNESSEE** that Highers, Koonce and Associates, consulting engineers, are authorized to prepare working drawings and have a change order prepared based upon unit prices as shown in the current north side transmission contract and have the work done by the contractor at these change order prices and further that Highers, Koonce will be paid \$800 for their design, administrative and field supervision and inspection for this change order project.

Passed and adopted by the Board of Mayor and Aldermen of the Town of Spring Hill, Tennessee on the 21st day of April, 1997.
