

**RESOLUTION 11-50**

**A RESOLUTION TO AUTHORIZE THE AWARD OF A CONTRACT TO A COMPANY TO  
INSTALL AN EXHAUST SYSTEM AT FIRE STATION 1, IN ACCORDANCE WITH AFG  
GRANT**

**WHEREAS**, the Spring Hill Fire Department is in need of an Exhaust System in Fire Station 1;  
and

**WHEREAS**, the Spring Hill Board of Mayor and Aldermen encourages staff to seek available  
State and Federal Grant funding; and

**WHEREAS**, the City of Spring Hill has been awarded an AFG Grant totaling \$136,000.00 , for  
Sprinkler Systems, Generator, and Exhaust Systems; and

**WHEREAS**, the City of Spring Hill, Tennessee advertised and accepted sealed proposals for this  
project on March 28, 2011; and

**WHEREAS**, City Staff has reviewed proposals and has made a recommendation to the Budget  
Finance Advisory Committee on May 9, 2011; and

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Mayor and Alderman to authorize  
awarding the contract for the Installation of an Exhaust System at Fire Station 1 to Clean Air Concepts in  
the amount of \$27,839.20.00, as recommended by the Budget Finance Advisory Committee.

Adopted this 16<sup>th</sup> day of May, 2011

Michael Dinwiddie, Mayor

Re: Plymovent Vehicle Exhaust System Bid for Station 1

Dear Sirs:

We are submitting a price for a turnkey installation of 1-20 foot Plymovent Back-in Rail System and 1-55 foot Plymovent Drive-Through Rail System, with 1 hose drop per rail. These systems are made by the same company whose equipment you currently use in your Station Number 3. Our price includes a 2 drop fan and duct system, all necessary wiring and controls, all hanging materials, and labor for a complete installation. As the systems for which we are submitting this price are pneumatic in their means of the hoses' attachment to the vehicle, we are planning to use the Fire Department's existing air-compressor. It will be moved to a location adjacent to the electrical control panels, and we will provide a new electrical circuit for it as part of our bid. We include tailpipe adapters for the 2 trucks in our bid, but no modifications to the tailpipes of the trucks are included in our bid. Our bid price is \$32,775.00.

We appreciate your considering our bid proposal. Our company has been in Franklin for 66 years, in its current location. Our Tennessee Contractors License number is 14460, with a CMC classification, and an expiration date of 5/31/2012.

Sincerely,

Greg Woodard  
President
