April, the changes in numbers were as follows: Digital Ally- total is \$9440.00 (they gave us a \$400 discount)

Dell (docking station and MDT)- \$4914.02 (I put 1020.02. should have been 1,002.02 for the docking station)

This change in numbers should reflect total equipment- \$ 27,092.60  
total vehicle- \$ 42,278.00

total purchase \$69,370.60

I attached a new line item for each. thanks and sorry for the change.
