RE: Purchase of Pavement Repair Equipment

ATTACHMENTS: Quotes, State Contract, and Resolution

OVERVIEW: *The Streets Department needs proper equipment to repair asphalt. Currently, employees currently use shovels to break up the cold mix asphalt to fill a pothole. The department receives numerous requests for pothole repairs due to various road failures. With this additional equipment, the area surrounding the damage can be reconditioned adding longer term to repair.*

HIGHLIGHTS:

- Department is responsible for repairs of approximately 180 miles of streets.
- Department does not have required equipment for proper repairs.
- Growing communities of our size require better equipment for greater efficiency.

PROJECT/CONTRACT UPDATES:

- N/A

ACTIONS TAKEN:

- We have received 3 quotes on infrared asphalt recycler.
- Asphalt Hot Box/Reclaimer is available on state contract.

CONCERNS/ISSUES/PROBLEMS:

- Department is currently using hot mix and cold mix for spot repairs as needed. This is a temporary fix that breaks down quickly.
