I'm the organizer of Spring Hill Summerfest and very passionate about helping our city foster a greater a sense of community and togetherness. Public Parks are a popular place for families to gather and enjoy time together in our area. I feel that I would be an asset helping the City of Spring Hill plan new and innovative ways to utilize our public park space, from recommending attractions/structures/features/equipment/pavilion space etc. to be built inside these parks, to planning events to be held at various parks, so that Spring Hill residents can enjoy some of the same outdoor family fun enjoyed by those who live near Crockett Park and Pinkerton Park.

I've participated as a parks & rec volunteer for the last 5 years. **Please state the reasons why you want to become a member of the Parks and Recreation Commission**

I would like to see more sports & fitness parks developed for running and biking in the community. We also have the opportunity to grow in extreme sports and hobbies such as Radio Control cars/planes/boats. The parks and recs commission can generate tourism and revenues for Spring Hill, Maury County, and local businesses. I understand how an outstanding parks system benefits the community, supports families, develops health/fitness/education, and reduces crime.

I'm a parent with 3 children (ages infant, 8, and 14) that use all varieties of parks. We enjoy historic parks, family recreation, athletic, extreme, hobby, and dog parks. As a new resident of Spring Hill, I would enjoy the opportunity to participate in the community and to enhance our local par
