

RESOLUTION 15-34

**A RESOLUTION TO AUTHORIZE THE PURCHASE
OF PORTABLE AND MOBILE RADIOS AND ASSOCIATED EQUIPMENT
FOR THE POLICE DEPARTMENT**

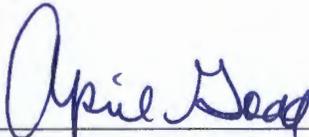

WHEREAS, the Spring Hill Police Department's portable and mobile radios are in need of replacement and funds were allocated to the current budget for replacement of existing radios; and

WHEREAS, the city staff advertised and received proposals for portable and mobile radios and associated equipment on April 17, 2015; and

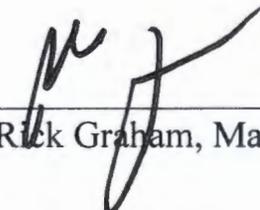

NOW, THEREFORE BE IT RESOLVED, that the City of Spring Hill authorizes the purchase of 60 new Kenwood portable and 50 Kenwood mobile radios and associated equipment to replace existing radios and equipment in use to Communications Services, Inc., for total of \$74,060.00, as recommended by the Budget and Finance Advisory Committee on May 4, 2015.

Passed and adopted by the Board of Mayor and Aldermen of the City of Spring Hill, Tennessee on the 18th day of May, 2015.

ATTEST:

April Goad, City Recorder

Rick Graham, Mayor

LEGAL FORM APPROVED:

Patrick Carter, City Attorney

REQUEST: *Approval of Resolution 15-34*
SUBMITTED BY: Victor Lay, City Administrator
Don Brite, Chief of Police
DATE: May 4th, 2015
RE: Purchase of portable and mobile radios
ATTACHMENTS: Description of any attachments

PURPOSE:

This purchase is to replace our existing radios with newer and updated radio system.

BACKGROUND:

Our current radio system, especially portable hand held units, are outdated and we are unable to replace parts or the unit itself. The reception and coverage area is better with these radios. The radios are able to be converted to digital communications in the future, at a cost. However, at this time we will continue to operate off our existing UHF-Analog frequency. It would be favorable to purchase the gateway connection that allows us to communicate with other agencies within our area. Est.cost is \$10,000.00. Surrounding agencies operate off of 800 Mhz, digital and or UHF. The radio purchase covers all components needed to put radios in operation for both portable and car radios, as well as spare batteries and cases for the officers to carry the radios.

FINANCIAL IMPACT:

\$74,060.00. (\$90,000.00 is in the current budget for radios)

STAFF RECOMMENDATION:

Due to radio issues we have, recommend we purchase Kenwood NX 300 portable radios and Kenwood NX 800 mobile radios from Communications Services, INC. to replace existing radios. A RFP was submitted and Communications Services was the only vendor to respond.

ACTION REQUIRED (INCLUDE DEADLINE /PRIORITY):

Resolution for purchase out of this year's budget.

4:00 PRICING AND DELIVERY SCHEDULE

Proposal of Communications Services Inc.
(Proposer Company Name)

To: The City of Spring Hill

Ref: Purchase of (60) Kenwood NX-300GK UHF portable radios, associated equipment and programming and (50) Kenwood NX-800K UHF mobile radios, associated equipment, installation and programming
