**STAFF MEMORANDUM**

City staff would like for the Board of Mayor and Aldermen to pass an additional resolution to approve funding in the amount of \$500,000 for Duplex Road land acquisition purchases. The funding approved in Resolution 16-138 has been allocated to tracts with signed agreements. As before, I will keep a running balance of funds available as signed contracts come in from the negotiators.

As the balance of these approved funds is drawn down and nears the threshold, I will present another resolution for consideration to the BOMA for additional funding.
