STAFF MEMORANDUM

The public works department desires to sell three (3) surplus vehicles through GovDeals online auction.

1. 1994 Ford Truck – VIN... 57613 – This truck has 169,617 miles and is requiring weekly maintenance that is not a benefit due to the value of the truck.
2. 2002 Chevrolet 2500 Truck – VIN... 33541 – This truck has 239,713 miles and is currently not running. To put the required maintenance in to the truck would outweigh the value of the truck.
3. 2006 Saturn Vue – VIN... 84363 – This car has 143,654 miles and is in need of maintenance in several areas. However, due the parts not being manufactured anymore, the cost to obtain the parts outweighs the value of the car.

All titles to these vehicles are present. The value of each is greater than \$1,000.00.
