

**RESOLUTION 18-214**

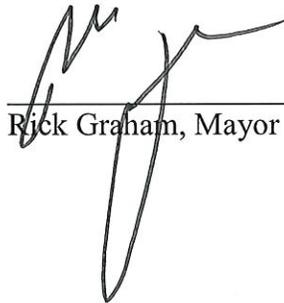

**A RESOLUTION AUTHORIZING AN EXPENDITURE FOR  
THREE SERVERS FROM LOCAL GOVERNMENT CORPORATION**

**WHEREAS**, there is a need for three servers to host and support newly acquired Varonis DatAdvantage software; and

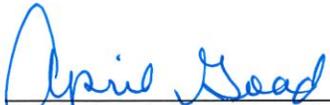

**WHEREAS**, the City of Spring Hill utilizes hardware and software support services from Local Government Corporation, by the authority of the Municipal Purchasing Law of 1983 which states that purchases from non-profit corporations whose purpose or one of whose purposes is to provide goods and services specifically to municipalities are exempt from competitive bidding; and

**NOW, THEREFORE BE IT RESOLVED**, by the Board of Mayor and Aldermen of the City of Spring Hill, Tennessee that an expenditure of approximately \$17,402.15 is hereby authorized for the purchase of three servers to include hardware and software support from Local Government Corporation, Columbia, TN, as recommended by staff.

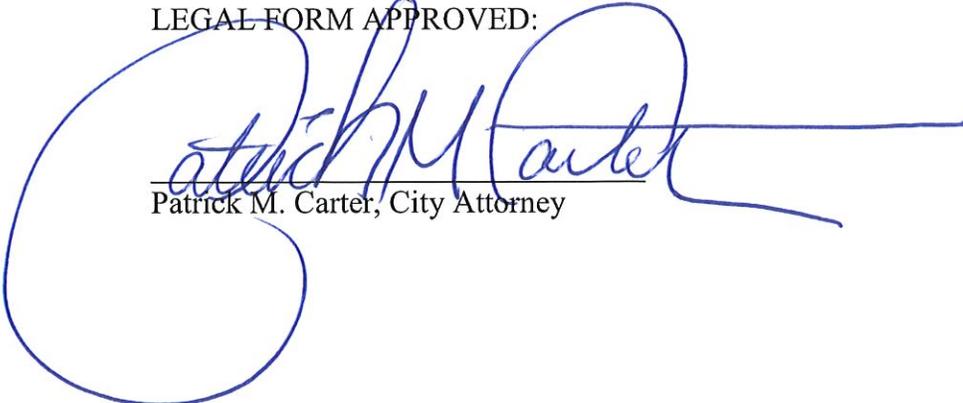

**Passed and adopted by the Board of Mayor and Aldermen of the City of Spring Hill, Tennessee, this 19th day of November 2018.**

## City of Spring Hill LOCAL GOVERNMENT CORPORATION SERVERS

---

*Memo to: BOMA*

*Presented By: John B. Pewitt, GIS/IT Director*

*Nick Hoeldtke, Network Administrator*

*Date: 11/7/2018*

---

- I. Purpose: Request for three (3) servers from Local Government Corporation (LGC) to host and support newly acquired Varonis DatAdvantage software.
- II. Background Information:
  - a. The city purchased Varonis DatAdvantage software to provide electronic auditing of City's systems and files.
  - b. Due to the number of City's servers and the size of the databases contained, Varonis recommends standalone servers to run the auditing software.
  - c. Staff received quote from LGC for the three (3) servers for \$17,402.15 to be configured per Varonis requirements.
- III. Staff Request: IT staff request to purchase the three (3) servers from LGC as quoted. These systems, built as requested, will have a production life cycle of 5 to 7 years. Funds are available in IT Dept. budget.

**Respectfully,**

A handwritten signature in blue ink, appearing to read "John B. Pewitt", is written over the printed name.

**John B. Pewitt  
GIS/IT Director**

## Sales Proposal

## **Hardware**

**Hardware returns are subject to a 10% restocking fee.**

Hardware is subject to availability. Upgrades and additional products are available upon request. All hardware will be billed immediately after delivery. In addition to the hardware cost included on this proposal, other cost that you may incur are terminal cable, cable installation, internet service, etc. Cable installation is the responsibility of the customer. LGC's hardware comes with a one-year onsite warranty within our coverage area. Depot options are available for customers outside our coverage area. After the one-year warranty has expired, you may choose to enter into a Hardware Maintenance Agreement with LGC. LGC reserves the right not to offer maintenance contracts on special ordered hardware.

## **Third Party Hardware**

If LGC's software is installed on third party hardware, additional charges may apply.

## **Third Party Software**

LGC is not an authorized support center for any third party software packages. This includes packages such as Microsoft Office, Microsoft Works, etc. The price of these packages include installation and instructions on how to start the programs as well as any tutorials that might be included from the manufacturer. We can supply a list of organizations that offer support on a per call, fee basis. Third Party Software packages that are opened cannot be returned. LGC cannot guarantee the functionality or compatibility of third party
