STAFF MEMORANDUM

The City of Spring Hill would like to purchase an asphalt roller and trailer for the Public Works Department to assist in paving repairs on City streets. Currently, staff rents this equipment on as-needed basis. Any repairs that are over 3' in diameter requires a roller be used. To date in FY 19/20, almost \$7,000 has been spent in rentals.

An invitation to bid was advertised with a bid opening on May 29, 2020. The bid was open to new asphalt rollers and pre-owned (2018 or newer) or new trailers with a listing of minimum qualifications that needed to be met. Two bids were received – United Rentals, Inc. and Diamond Equipment, Inc. – with United Rentals, Inc. being the low bidder at a total cost of \$35,826.75 (\$28,226.75 for the asphalt roller and \$7,600.00 for the trailer).

Funding for the purchase is in the current fiscal year's budget in the State Street Aid fund (121-43190-268), utilizing savings made on completed paving projects for FY 19/20.

Staff recommends awarding the invitation to bid to United Rentals, Inc. at a cost of \$35,826.75.
