I. Purpose/Overview: To approve sub-grant funding from Metro Nashville Government to the police department for ICAC (Internet Crimes Against Children).

II. Background Information: Spring Hill Police Department currently has a Detective, Mike Foster, who is assigned to the ICAC task force. This is a statewide taskforce having limited agencies across the state. Detective Foster investigates Internet Crimes Against Children, not only for our jurisdiction but for other agencies needing his assistance. Metro Nashville police department receives funding from Knoxville Police Department, who oversees the entire ICAC funding. Metro Police Department then allocates funds to Middle Tennessee agencies who are with the ICAC taskforce.

We are receiving \$15,000.00 to be used solely for equipment, training, and travel to be used for ICAC investigations.

III. Financial Impact to Budget. No matching funds required.

IV. Alternative Options: don't accept the grant funding.

V. Staff Recommendations: Highly recommend accepting the grant funding, due to the benefits gained when Detective Foster investigates these types of criminal activities that take place in and around our community.
