RE: To authorize the purchase of a dump truck for the Water Distribution department through State contract

ATTACHMENTS: Truck quote

PURPOSE:

The purpose of this resolution is to approve the purchase of a 2021 Ford F-550 dump truck for the Water Distribution department through the TDOT State contract.

BACKGROUND:

The City of Spring Hill Water Distribution department requests to purchase a 2021 Ford F-550 dump truck through the TDOT State contract. (A Chevrolet dump truck was requested originally; however, Chevrolet no longer manufactures this size truck.) This truck will be used to haul rock and materials needed for onsite water main repairs. The City also currently has a Ford F-550 in it's inventory (MS4 department) that the Water Distribution department has used in the past. Ford of Murfreesboro is one of the approved vendors. The City has the opportunity to purchase the following:

2021 Ford F-550 - \$63,735.00

Additional safety measures (safety lights, front winch, City logo, etc.) would be added to the truck for an estimated cost of \$10,000.00.

Total cost for the purchase of the truck and additional add-ons would be **\$73,735**.

FINANCIAL IMPACT:

The funding for the truck would be from the Water Distribution departmental fund (410-52100-941) as budgeted by Ordinance 20-22. Total budget allowance is **\$100,000.00**.

STAFF RECOMMENDATION:

Staff recommends approval of Resolution 21-21 to approve the purchase of a 2021 Ford F-550 dump truck for the Water Distribution department through State contract.
