RE: To approve purchase of a 2023 Chevrolet 2500 For the Sewer
Collections Division through state contract which the City is
eligible

ATTACHMENTS:

PURPOSE:

To approve Resolution 23-18 to approve purchase of 2023 Chevrolet 2500 for the Sewer Collections division from Wilson County Motors through State Contract.

BACKGROUND:

The City of Spring Hill Sewer Collections Division budgeted for one 2023 Chevrolet 2500 at an estimated cost of \$38,000.00 to be purchased to replace a vehicle that is beyond its' useful life. This vehicle will provide for safe, dependable transportation for staff to complete daily tasks for the next 12-15 years. In July 2022, the Utility Department was advised the vehicle was not available but there was opportunity to purchase a Ford Maverick at comparable pricing. A resolution was submitted for BOMA approval through Resolution 22-177 for the Maverick at a total cost of \$26,746.00. Last week the Dealership advised these vehicles are out of production and they can no longer provide the vehicles. Subsequently, Staff has cancelled the order, cancelled the Purchase Order and began searching for alternative vehicles. It was discovered the original vehicle budgeted is available at Wilson County Motors. The dealership also advised there will not be any additional Mavericks nor Rangers built this year. They are accepting orders for 2024 vehicles and the cost has increased 12% across the board. Currently, Staff recommends purchasing the 2023 Chevrolet 2500 at the current price of \$38,513.00.

FINANCIAL IMPACT:

This will be funded from FY 2023 budgeted funds at a cost of \$38,513.80 from Wilson County Motors through State Contract.

STAFF RECOMMENDATION:

Staff recommends approval of Resolution 23-18 to approve purchase of the 2023 Chevrolet 2500 at a total cost of \$38,513.80 from the budgeted funds line item 410-52211-900.
